A SPACE THAT'S MORE THAN JUST BEAUTIFUL

Amidst the picturesque Ticino landscape, a place was created that harmoniously blends elegance, craftsmanship and a feel-good atmosphere: **the Oriella Page beauty salon in Agno.**

With a fine sense for both **design and functionality**, REINHOLD KELLER brought the interior concept to life as a joinery partner.

The focus: a design that captivates not only aesthetically but also supports daily routines. Materials and colors combine to form a **spatial experience full of calm and elegance.**

Just minutes from Lugano and right by Lake Lugano, the salon in Agno combines a **relaxed atmosphere with high-end design.**

Nestled in one of the most beautiful regions of Ticino, Agno offers a unique mix of **Mediterranean ease, Alpine panorama and quiet elegance** – far from the hustle, yet easily accessible.

The location between **lake, nature and city** makes Oriella Page Agno the **perfect retreat for well-deserved beauty timeouts.** The tranquil surroundings, the soft color concept and the fine materials create an atmosphere **to arrive, unwind and feel beautiful.**

FACTS RK

WOW!

"Top quality, always friendly and solution-oriented communication – and everything was ready right on time for the opening."

BEAUTY BEGINS WITH TRUST

Founded in Lugano in 2018, Oriella Page has evolved from a single studio into a growing network of Life Embellisher Centers across Ticino – including Bellinzona and all major cities in the region – and most recently into Lausanne and Agno. With its **eighth location**, the brand continues to grow – as does the vision to make individual aesthetics tangible. Each studio follows its own interior concept, combining **minimalist design with luxurious detail**.

Those who trust a beauty salon seek more than just results. **They seek trust, closeness, and atmosphere.**

The right interior makes you feel it the moment you enter: This is the right place. REINHOLD KELLER created exactly this atmosphere – **with sensitive planning and high-quality execution**, in close collaboration with the client.

OOH!

QUALITY YOU CAN SEE – AND FEEL

What makes a space truly special is not just the first impression – **but the feeling it leaves behind.**

At Oriella Page, every detail was designed to make an impact without stealing the spotlight.

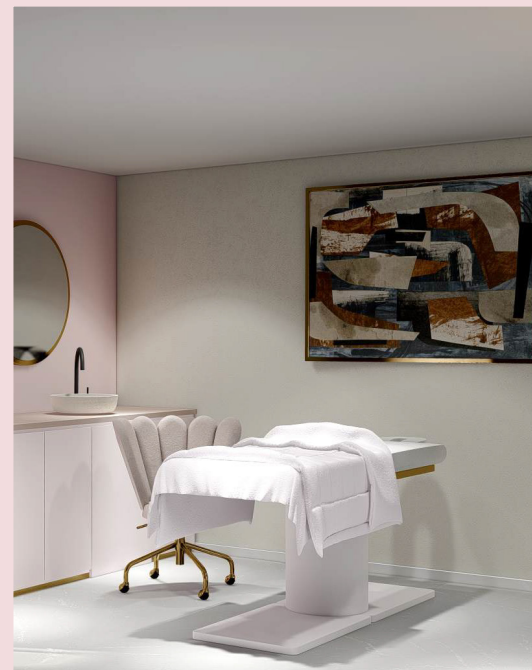

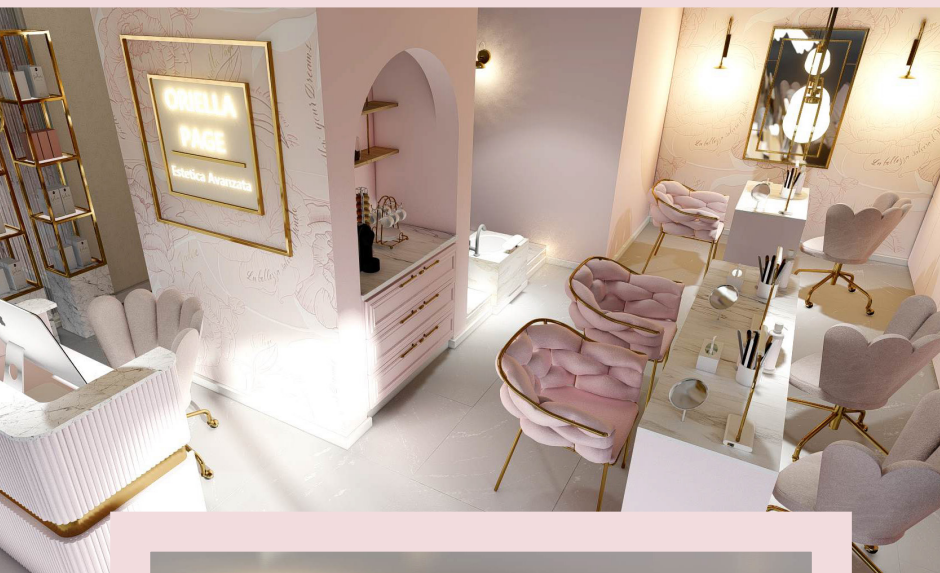

Visible qualities:

- Premium surfaces with matte/gloss contrasts
- Harmoniously integrated mirrors, lighting & technology
- Custom-built furniture with a clear design language

Tangible qualities:

- Indirect lighting for soft spatial zones
- Warm, pleasant material textures
- Smart layout for seamless workflows

THE IDEA BEHIND THE SPACE

Behind Oriella Page lies a design concept that unites **form, function and atmosphere** into a harmonious whole.

Created by **Denizhan Demir Interior Architecture**, the design radiates calm and character alike. The **renderings** reveal a fine sense for space, light and spatial flow – reduced, yet full of depth.

REINHOLD KELLER had the honor of bringing **this vision to life**. What began as a concept became a space – one that carries the unmistakable signature of its design.
